BID

Bid Reply to Invitation to Bid: SCBA-Wakeman Fire District Bid No Later Than: 7:30PM Wednesday, August 20, 2014

The Wakeman Fire District is considering the purchase of multiple self-contained breathing apparatus and related equipment. The specifications for the equipment that we are considering for purchase are listed below. A specific brand is not required, although it may be desired. We will consider all types even if a specific brand is inadvertently mentioned in the specifications. Your detailed specifications on each item must be included with your bid.

You may bid on any or all items. Please place "NB" for No Bid for any items that you are not apply to supply or provide a quotation for.

SCBA BID SPECIFICATIONS

General Self-Contained Breathing Apparatus Requirements

The purpose of these bid specifications is to establish the minimum requirements for an open-circuit self-contained breathing apparatus (SCBA). The SCBA shall consist of the following major sub-assemblies: (1) 2013 Edition High Pressure 4500 (2) Airframe Carrier with/Double Pull/Chest Strap/Swiveling Lumbar Pad (3)45 Minute Carbon Fiber Super Light Cylinder/Low Profile (4)CBRN Push-to-Connect Regulators (5)Quick Fill Chest Mount (6)Mask with/Nosecup, Speed-on Harness/Neck Strap (7)I-HUD (Internal Heads-Up Display) (8)PASS with Thermal Alarm (9) Voice Command Amplifier

The successful bidder agrees to provide, at their own expense, a factory trained instructor for such time as the respirator user shall require complete instruction in the operation and maintenance of the respirator. Any exceptions to these specifications shall be detailed in a separate attachment. Failure to do so shall automatically disqualify the bidder.

The successful bidder shall be a sales distributor, authorized by the manufacturer, to sell the equipment specified herein. A signed document from the manufacturer confirming this fact shall be included with the bid.

The SCBA shall maintain all NIOSH standards with any of the following types of cylinders listed as provided by the SCBA manufacturer.

Approvals

1. The apparatus shall be approved by the National Institute for Occupational Safety and Health (NIOSH), under 42 CFR, Part 84 for chemical, biological, radiological, and nuclear protection (CBRN) with a 30-, 45- or 60-minute-rated service life and compliant with all requirements of the National Fire Protection Association's 2013 Edition of NFPA-1 981 Standard on Open-Circuit Self-Contained Breathing Apparatus.
2. Units equipped with an integrated PASS device must meet requirements of NFPA 1982, 2013 edition.
3. Units equipped with an emergency egress system shall also comply with the NFPA 1983 Standard on Fire Service Life Safety Rope and System Components, 2012 Edition; Type: Escape.
4. Units equipped with an accountability system must meet minimum requirements for FCC part 15 and part 90.

Specific Requirements:

Facepiece

- A. The facepiece shall be available in three sizes in Hycar™ Rubber (small, medium and large).
- B. Two sizes of removable nosecup; nosecup shall contain a voice collector system that enhances unamplified speech transmission.
- C. The facepiece shall have an inhalation check valve and exhalation valve to prevent exhaled air from entering and contaminating the mask-mounted regulator.
- D. The facepiece shall have a speaking diaphragm with aluminum-coated membrane suitably protected and located centrally on the facepiece for optimal voice projection.
- E. The lens shall be field-replaceable and of a non-shatter type and shall fit all three sizes of the facepiece.
- F. The facepiece head harness shall be a flame- and heat-resistant Kevlar assembly featuring a suspension with five points of attachment and four points of adjustment.
- G. The facepiece shall be I-HUD-ready.
- H. An optional flame- and heat-resistant PBI neck strap shall be offered to carry the facepiece in a ready position for quick donning.

Internal HUD System

- A. The Heads-Up-Display, I-HUD System shall be wireless to eliminate snag hazards and provide modularity for easy maintenance.
- B. The I-HUD System shall prevent the ability to cross-talk among firefighters.
- C. The I-HUD System shall be immune to radio frequency interference (RFI) and must function properly in close proximity of fire service hand-held radios.
- D. The I-HUD shall provide the user with the remaining volume of air in his/her cylinder in 25% increments through a series of 3 colored LEDs.
 - Three green lights 76 to 100% cylinder volume
 - Two green lights 51 to 75% cylinder volume
 - Two flashing amber lights 36 to 50% cylinder volume
 - Flashing red light 0 to 35% cylinder volume
- E. Internal HUD shall be contoured to fit securely within facepiece to reduce snag hazards.
- F. The I-HUD receiver shall display remaining air pressure, battery life warning and PASS device pre-alarm and EVACUATE indicators.
- G. The I-HUD system shall allow the user to select between two modes of operation, 1) continuous lights on mode or 2) an intermittent lights on mode for power conservation.
- H. The I-HUD shall incorporate a photoelectric sensor that senses ambient light conditions, automatically adjusting the display to one of 16 pre-programmed light intensities.
- I. The I-HUD shall be field removable and replaceable without use of tools.
- J. Three buddy lights shall be visible from the outside of a firefighter's facepiece.
- K. The I-HUD receiver shall have a green test button.
- L. The I-HUD battery should last four to eight months using a single CR2 battery.

Universal Rescue Connection

- A. The system shall be capable of:
 - 1. Refill in immediately dangerous to life or health (IDLH) atmospheres.
 - 2. Transfiling between two SCBA wearers (connection allows for donation and receipt of air), providing an emergency breathing system (EBS) while maintaining NIOSH approvals
 - 3. Quickly refilling (approximately one minute) an SCBA cylinder from a mobile compressor, cascade system or RIT Pack.
 - 4. Extending the wearer's air supply over longer duration when a remote cascade system or other compressed gas source is located in a remote area.
 - 5. A second Universal Rescue Connection shall be mounted on chest above Control Module.

First-Stage Regulator

- A. Reduces the cylinder pressure to an outlet pressure not to exceed 100 psi. Regulator outlet pressure must be adjustable.
- B. The pressure reducer shall incorporate a downstream flow to ensure fail-safe in an open position.
- C. Regulator redundancy shall be achieved by two inter-nested long-life springs.
- D. The regulator body shall be constructed of a high-strength heat-treated aluminum alloy, and plated with a Teflon hard coat anodize to minimize corrosion and wear of internal components.
- E. There shall not be more than 14 individual replacement parts on the regulator.
- F. The regulator shall be mounted on a slide bracket to facilitate easy cylinder attachment and to prevent binding of high-pressure hose.
- G. The regulator must not require any special tools for disassembly.

Mask-Mounted Regulator: (Push-to-Connect)

- A. The second-stage regulator shall not obstruct or reduce the field of vision of the wearer when installed on the facepiece.
- B. The second-stage regulator must be equipped with Positive Protection Tetraplex Shield membrane that covers the diaphragm, preventing against permeation of CBRN agents.
- C. When doffing the regulator, the disengagement of the regulator from the facepiece must simultaneously stop the flow of air and release the regulator.
- D. The regulator must be equipped with a variable flow bypass.
- E. The second-stage regulator must be labeled with a CBRN notation.
- F. An over-the-shoulder air-supply hose shall be routed through a shoulder strap tunnel from the first-stage regulator.
- G. As an option, the detachable regulator must have a push-to-connect attachment to the facepiece. This option of the regulator shall feature a non-indexing design, capable of mounting to the facepiece in any orientation. In this configuration, the regulator must
- H. rotate freely when connected to the facepiece, maximizing the user's freedom of head movement.

Primary Low Pressure Warning Device

- A. An audible bell alarm shall be an air-actuated, self-cocking, continuous ringing audible warning bell automatically operating when air pressure in the supply cylinder reaches approximately 35% of the rated service life.
- B. An audible bell alarm must cover multiple levels of frequencies to cover all hearing levels.

Cylinders

- A. Cylinders with 4500 psig operating pressure must be available in 45-minute durations.
- B. Cylinders must be available in 4500 psig.
- C. The cylinder shall be constructed of a deep-drawn, seamless aluminum liner that is fully wound over its entire surface (except for the thick neck area) with high-strength carbon fiber filaments impregnated with epoxy resin.
- D. The cylinder shall contain a closing valve that shall incorporate a pressure gauge to indicate the pressure in the cylinder at all times. The pressure gauge face shall be luminescent. The hand wheel shall be at a 90° angle from the longitudinal plane of the cylinder.
- E. The valve shall incorporate a flow control insert to limit the airflow over the first half-rotation of the hand wheel, minimizing propulsion thrust in the event that the cylinder is mishandled.
- F. The cylinder shall have a minimum two-inch wide luminescent band to enhance visibility of the wearer.

PASS Device

- A. The PASS device is a combination integrated PASS device and HUD Transmitter that shall be contained in a single enclosure and shall be easily replaced in the event of fire ground damage.
- B. The PASS device unit must be immune to radio frequency interference (RFI) and must function properly in the close proximity of fire service hand-held radios.
- C. The unit shall be capable of storing up to 25 hours of use information in the form of sessions that are generated each time the SCBA is pressurized. The sessions must indicate the day, time, user's name, cylinder pressure, duration of use, and time of alarm (PASS and thermal) for each pressurization of the SCBA stored on a minute-by-minute basis.
- D. The sessions must provide the option of downloading to a personal computer for addition to maintenance records, or for use in incident investigations.
- E. The PASS device must utilize a perimeter seal (sonic weld) to provide the highest level of protection against water ingress.
- F. The PASS device must be equipped with buddy lights on the front and back of the firefighter. The purpose of the buddy lights is to easily identify firefighters that are in immediate need of assistance. Buddy lights are positioned to face one towards the firefighter and one away from the firefighter.
- G. The power module shall be equipped with dual sound emitters. The sound emitters shall perform at a minimum of 95 dBa after heat emersion of five minutes at 500° Fahrenheit.
- H. The PASS device must be equipped with time remaining display and an optional thermal sensor. The time remaining function must update calculations every 30 seconds based on the user's previous three minutes of air consumption. The initial calculation will appear after three minutes.
- I. The PASS device and power module shall be powered by four C-cell batteries.
- J. The expected service life of the batteries shall be six to eight months on average for units without telemetry, and four to six months on average with telemetry

Voice Amplifier

Electronic voice amplifier facepiece mounted with bracketing with internal facepiece microphone. Meets or exceeds NFPA 2013 Standards; Speech dB, flame and dust ingress and durability standards.

Weight

The weight of a basic SCBA (less cylinder) shall not exceed 13 lbs., 4 oz.
The weight of the cylinder and valve assemblies (empty) shall not exceed:

Cylinder Type	Weight
Carbon-wrapped H45-SL	9 lbs., 10oz

Warranty

The unit shall be covered by a warranty providing protection against defects in materials or workmanship. This warranty shall be a limited lifetime on the SCBA, less the cylinder, which is until end of service life as controlled by government regulation/DOT. Other exceptions include Facemask blank, hoses and nose cup (rubber product) 5-year limited/ age deterioration, Electronic communication systems- 1-year, and Air mask PASS and HUD systems – 5 years

RIT PACK BID SPECIFICATIONS

General Rapid Intervention Requirements

Kevlar carrying harness and carry strap, One hour carbon fiber 4500psig cylinder – 60 minutes, 1st and 2nd regulator, Three (3) foot transfill Hose, and low air alarm.

FIT TESTER BID SPECIFICATIONS

General Fit Tester Requirements

Carrying case, AC adapter, alcohol supply for several hours of operation, fit test software on cd, USB computer interface cable, color touch screen, stand-alone operation (no external computer required), OSHA –compliant, and measures fit factors greater than 10,000.

**Wakeman Fire District
Standard Terms and Conditions**

1. **BILLING:** All goods or services must be billed to the Wakeman Fire District and at prices not exceeding those stated on the purchase order. If prices or terms do not agree with your quotation, you must notify the Clerk-Treasurer within three business days or your disagreement is waived.
2. **INVOICE:** Prepayment or progress payments are not permitted unless prior authorization is obtained from the Clerk-Treasurer. All invoices are to be mailed to the attention to the Clerk-Treasurer and shall reference the District's purchase order number. Failure to include the purchase order number may prevent timely payment. Each purchase order must be invoiced separately. Unless specified otherwise, the invoice will only be paid upon completion of the order.
3. **CASH DISCOUNTS:** All cash discount terms will be effective from date of actual receipt and acceptance of the items purchased, or receipt of correct and acceptable invoice, whichever is later.
4. **FREIGHT: NO COLLECTION FREIGHT SHIPMENTS WILL BE ACCEPTED.** All quotations are solicited on a "delivered price" basis. When, in rare instances, the District accepts a quotation not including all shipping charges, your claim for reimbursement, must be itemized on the invoice and supported with a copy of the original freight bill.
5. **TAXES:** The Wakeman Fire District is exempt from payment of State retail sales taxes. You are responsible for all Social Security taxes and Workers' Compensation contributions for yourself or any of your employees.
6. **DELIVERIES:** All deliveries on this order must be in full accordance with specifications, properly identified with the purchase order number and must not exceed the quantities specified.
7. **CANCELLATION:** The Wakeman Fire District reserves the right to cancel this order by written notice if you do not fulfill your contractual obligations with respect to timeliness, quality and/or any other reason.
8. **DEFAULT PROVISIONS:** In case of your default (defined as notified in writing by the Wakeman Fire District you are in default and you have failed to cure the default within the time specified), the Wakeman Fire District may procure the items from other sources and hold you responsible for any excess costs incurred thereby and any other damages permitted by law.
9. **NO VERBAL AGREEMENTS:** The Wakeman Fire District will be bound only by the terms and conditions of this order, and will not be responsible for verbal agreements made by any officer or employee of the Wakeman Fire District.
10. **PATENT AND COPYRIGHT INFRINGEMENT:** It is hereby understood (and by acceptance of this order) you agree to defend, indemnify and hold harmless the Wakeman Fire District, Ohio, its officers, agents and employees from any and all loss, costs or expense on account of any claim, suit or judgment as a result of, caused by, or incident to any patent, copyright or trademark infringement and/or royalty, actual or claimed, because of the use or disposition by said District of any article enumerated on this order and sold to said District pursuant to this order.

11. **INSPECTION:** The Wakeman Fire District may inspect the items ordered hereunder during their manufacture, construction and/or preparation at reasonable times and shall have the right to inspect such items at the time of their delivery and/or completion. Items furnished hereunder may at any time be rejected for defects revealed by inspection, analysis, or by manufacturing operations or use after delivery even though such items may have previously been inspected and accepted. Such rejected items may be returned to you for full refund to Wakeman Fire District including shipping and transportation charges.
12. **WARRANTY:** You warrant that the items and their production or completion shall not violate any federal, state or local laws, regulations or orders. You warrant all items delivered hereunder to be free from defects of material or workmanship to be good quality, and to conform strictly to any specifications, drawings or samples which may have been specified or furnished by the Wakeman Fire District, and you further warrant that you have good title to the items free and clear of all liens and encumbrances and will transfer such title to the Wakeman Fire District. Said warranties shall not negate nor limit any implied warranties of merchantability or fitness. This warranty shall survive any inspection, delivery, acceptance or payment by the Wakeman Fire District.
13. **RISK OF LOSS:** Title and risk of loss to and with respect to the items shall remain with you until the items in a complete state have been delivered to and accepted by the Wakeman Fire District or to an agent or consignee duly designated by the Wakeman Fire District at the location specified on the face hereof, items which are to be shipped shall be shipped F.O.B. destination unless otherwise specified by the Wakeman Fire District. A packing slip must accompany each such shipment and if a shipment is to be a consignee or an agent of the Wakeman Fire District, a copy of the packing slip shall be forwarded concurrently to the Wakeman Fire District. If no such packing slip is sent, the count or weight by the Wakeman Fire District or its agent or consignee is agreed to be final and binding on you with respect to such shipment.
14. **HOLD HARMLESS:** You shall indemnify and hold the Wakeman Fire District, its agents, consignees, employees, and representatives harmless from and against all expenses, damages, claims, suit, or liabilities (including attorney's fees of the Wakeman Fire District) of every kind whatsoever by reason of, arising out of, or in any way connected with, accidents, occurrences, injuries or losses to or any person or property which may occur before or after acceptance of the completed items by the Wakeman Fire District upon or about in any way due to resulting from, in whole or in part, the preparation, manufacture, construction, completion, and/or delivery of the items, including such as are caused by your subcontractors and excluding only such as are caused by the negligence of the Wakeman Fire District other than where the Wakeman Fire District's negligence consists of its failure to discover a condition caused or permitted to exist by you or any subcontractor of yours.
15. **INSURANCE:** If requested by the Wakeman Fire District, you shall maintain policies of liability insurance such types and such amounts and with such companies as may be designated by the Wakeman Fire District, which policies shall be written so as to protect the Wakeman Fire District and you from the risks enumerated in Section 14. Such policies of insurance shall not be cancelable except upon thirty (30) days written notice to the Wakeman Fire District and proof of such insurance shall be furnished by you to the Wakeman Fire District. In addition, such policies shall protect all your subcontractors. You agree to make prompt written report to the insurance company involved of all accidents, occurrences, injuries or losses which may occur and of any and all claims made against the persons insured under said policies of insurance and to send copies of such reports to the Wakeman Fire District within twenty-four (24) hours of the time that you obtained knowledge of the occurrence thereof.
16. **SPECIFICATIONS CONFIDENTIAL:** Any specifications, drawings, notes, instructions, engineering notices or technical data referred to in this purchase order shall be deemed to be incorporated herein by reference the same as if fully set forth herein.

Wakeman Fire District shall at all times retain title to all such documents and you shall not disclose such to any party (other than the Wakeman Fire District or a party duly authorized by the Wakeman Fire District). Upon the Wakeman Fire District's request or upon completion and delivery of the items purchased, you shall promptly return all such documents to the Wakeman Fire District

17. **EXAMINATION OF PREMISES:** If work is to be performed hereunder on the premises of the Wakeman Fire District, you represent that you have examined the premises and any specifications or other documents furnished in connection with the items and that you have satisfied yourself as to the condition of the premises and site and agrees that no allowance shall be made in respect of any error as to such on your part.
18. **CLEANING OF PREMISES:** If work is to be performed hereunder on the premises of the Wakeman Fire District, you shall at all times keep the premises free from accumulation of waste material or rubbish. At the completion of the items you shall leave the premises and the items broom-clean.
19. **EQUAL EMPLOYMENT OPPORTUNITY:**
 - (a) You agree that you will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, disability/handicap, age, military status, ancestry, or genetic information with respect to employment, upgrading promotion, or transfer, recruitment or recruitment advertising, lay-off determination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
 - (b) It is expressly agreed and understood by you that Section 19 (a) constitutes a material condition of this contract as fully as specifically rewritten herein, also that failure to comply therewith shall constitute a breach thereof entitling the District to terminate the contract at its option.
20. **AGREEMENT TO BE EXCLUSIVE:** This purchase order contains the entire agreement between the parties and supersedes all other oral agreements only when there is no executed contract between the parties. The parties acknowledge and agree that neither of them has made any representation with respect to the subject matter of this purchase order or any representation inducing the execution and delivery of this purchase order, except such representations as are specifically set forth here, and each party acknowledges that it has relied on these representations in connection with its dealings with the other.
21. **GOVERNING LAW:** This purchase order, the performance under it, and all suits and special proceedings under it shall be construed in accordance with the laws of the State of Ohio. In any action, special proceeding or other proceeding that may be brought arising out of, in connection with, or by reason of this agreement, the laws of the State of Ohio shall be applicable and shall govern to the exclusion of the laws of any other forum, without regard to the jurisdiction in which the action or special proceeding may be instituted.
22. **ADDITIONAL RIGHTS:** Any rights or remedies granted to the Wakeman Fire District in any part of this purchase order shall not be exclusive of, but shall be in addition to, any other rights or remedies granted in another part of this purchase order and any other rights or remedies that the Wakeman Fire District may have at law or in equity in any such instance. Any litigation arising from disputes herein shall be instituted only in Huron County, Ohio.
23. **GOVERNING DOCUMENT:** Should there be any conflict between the terms of the executed contract and this purchase order, the terms of the contract govern.

24. **INDEPENDENT CONTRACTOR:** The contractor, his assigns, heirs, successors, employees and any and all subcontractors are independent contractors and are not agents and/or employees of the Wakeman Fire District.

Furthermore, bidders shall certify that it and its principals:

- a) Have not within a three-year period preceding this bid been convicted of or had a civilian judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain or perform a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property.
- b) Are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (b) of this certification; and
- c) Have not within a three-year period preceding this bid had one or more public transactions (Federal, State, or local) terminated for cause or default; and

Where the bidder is unable to certify to any of the statements in this certification, he or she attach an explanation to this bid.

STATE ISSUED LICENSE

In accordance with division (2)(a) of section 2909.32 of the Ohio Revised Code

DECLARATION REGARDING MATERIAL ASSISTANCE/NONASSISTANCE TO A TERRORIST ORGANIZATION

This form serves as a declaration of the provision of material assistance to a terrorist organization or organization that supports terrorism as identified by the U.S. Department of State Terrorist Exclusion List (see the Ohio Homeland Security Division website for a reference copy of the Terrorist Exclusion List).

Any answer of "yes" to any question, or the failure to answer "no" to any question on this declaration shall serve as a disclosure that material assistance to an organization identified on the U.S. Department of State Terrorist Exclusion List has been provided. Failure to disclose the provision of material assistance to such an organization or knowingly making false statements regarding material assistance to such an organization is a felony of the fifth degree.

For the purposes of this declaration, "material support or resources" means currency, payment instruments, other financial securities, funds, transfer of funds, and financial services that are in excess of one hundred dollars, as well as communications, lodging, training, safe houses, false documentation or identification, communications equipment, facilities, weapons, lethal substances, explosives, personnel, transportation, and other physical assets, except medicine or religious materials.

In the event of a denial of licensure due to a positive indication that material assistance has been provided to a terrorist organization, or an organization that supports terrorism as identified by the U.S. Department of State Terrorist Exclusion List, a review of the denial may be requested. The request must be sent to the Ohio Department of Public Safety's Division of Homeland Security. The request forms and instructions for filing can be found on the Ohio Homeland Security Division website.

CERTIFICATION

I hereby certify that the answers I have made to all of the questions on this declaration are true to the best of my knowledge. I understand that if this declaration is not completed in its entirety, it will not be processed and I will be automatically disqualified. I understand that I am responsible for the correctness of this declaration. I understand that failure to disclose the provision of material assistance to an organization identified on the U.S. Department of State Terrorist Exclusion List, or knowingly making false statements regarding material assistance to such an organization is a felony of the fifth degree. I understand that any answer of "yes" to any question, or the failure to answer "no" to any question on this declaration shall serve as a disclosure that material assistance to an organization identified on the U.S. Department of State Terrorist Exclusion List has been provided by myself or my organization. If I am signing this on behalf of a company, business or organization, I hereby acknowledge that I have the authority to make this certification on behalf of the company, business or organization referenced on page 1 of this declaration.
